Insurance / Investments

Is your Share Certificate for living or leaving? You have more options than you think. What will you leave behind? Here are some things to think about:

- Do you continually renew Share Certificates?
- Would you like to maximize the Share Certificate money you transfer to your loved ones?
- Would you like your Share Certificate money to be transferred to those you care about income tax-free?†

If you answered ‘yes’ to any of these questions, Contact ATCU Financial Services at **256.439.3632** or jholt@atcu.com to discuss your options.

*Non-deposit investment products and services are offered through CUSO Financial Services, L.P. (“CFS”), a registered broker-dealer (Member FINRA/SIPC) and Registered Investment Advisor. Products offered through CFS: are not NCUA/NCUSIF or otherwise federally insured, are not guarantees or obligations of the credit union, and may involve investment risk including possible loss of principal. Investment Representatives are registered through CFS. The Credit Union has contracted with CFS to make non-deposit investment products and services available to credit union members. †For specific tax advice please consult a qualified tax professional.

Classic Cooking

Ingredients:

- 4 red potatoes / new potatoes
- 2 tablespoons chopped fresh dill
- 2 hardboiled eggs, chopped
- ¼ cup diced red onion
- ½ cup sour cream
- ¼ cup mayo

Directions: Boil potatoes, skins on, until tender. When done, quarter and spread into a pyrex dish, and liberally sprinke with kosher salt, pepper, and white wine vinegar. Let those cool. Meanwhile, chop dill, eggs, and onion. In another bowl make the sauce. Add mayo, sour cream, and white wine vinegar and stir. You want to acheive a pourable consistency, and you may need to add more vinegar or sour cream depending on your taste. Lightly combine all ingredients in a bowl, careful not to break up the potatoes too much. Season with additional salt and pepper, and serve!
