If a member already has a youth club account which is in good standing, automatic entry will occur when an additional service is added to the account during the promotion period. If there are multiple owners listed on an account, entry will be based on the first party named on the account in question (the member) regardless of whether or not the transactions qualifying for this promotion are actually conducted by the first party named on the account.
- Manual entry will occur upon the Credit Union's receipt of a written entry on a 3x5 piece of paper setting forth the entrant's name, address, telephone number, and (if applicable) member/account number. One entry per envelope. No photocopied or mechanically reproduced entries will be accepted. The Credit Union is not responsible for lost, late, erroneously delivered, incomplete or postage-due entries.
